

Privacy Policy for Daily Sudoku

This Privacy Policy governs the manner in which Daily Sudoku collects, uses, maintains, and discloses information collected from users (hereinafter referred to as "Users") of the Daily Sudoku mobile application (hereinafter referred to as the "App"). This Privacy Policy applies to the App and all products and services offered by Daily Sudoku.

Collection of Information

We collect the following information from Users:

- **Random UUID:** Upon first-time load, the App generates and assigns a random UUID to each User. This UUID is used to uniquely identify Users and their Sudoku activity.
- **Device OS:** We collect information about the device operating system (OS) used by Users to enhance their experience and troubleshoot technical issues.
- **Time to Complete Sudoku:** We collect the time it takes for the assigned UUID to complete the Sudoku puzzle for the day. This data helps us improve the App's performance and puzzle difficulty.

Use of Collected Information

We collect and use the aforementioned information for the following purposes:

- **Personalization:** The UUID allows us to provide a personalized experience within the App by tracking Users' progress and achievements.
- **App Improvement:** The collected data, including the time to complete Sudoku, helps us analyze usage patterns, identify areas for improvement, and enhance the App's features and performance.
- **Technical Support:** The device OS information assists us in troubleshooting technical issues and providing optimal support to Users.

Data Protection and Sharing

We prioritize the protection of Users' information and employ appropriate measures to prevent unauthorized access, alteration, disclosure, or destruction of the collected data. We do not sell, trade, or rent Users' information to third parties. The collected data is used solely for the purposes outlined in this Privacy Policy and is not linked to personally identifiable information.

Changes to This Privacy Policy

We reserve the right to update this Privacy Policy at any time. Any modifications will be effective immediately upon posting the updated version on the App. Users are encouraged to review this Privacy Policy periodically for any changes. Continued use of the App after the posting of changes constitutes acceptance of the modified Privacy Policy.

Your Acceptance of These Terms

By using this App, you signify your acceptance of this Privacy Policy. If you do not agree to this Privacy Policy, please do not use our App. Your continued use of the App following the posting of changes to this Privacy Policy will be deemed your acceptance of those changes.
